30th January 2015

Dear Parent/Carer,

It is with great pride and pleasure that I enclose a copy of our recent OFSTED report, following the inspection visit on 15th and 16th January.

As many of you will be aware, it has been almost eight years since our last inspection visit, and within this time the education landscape has changed nationally, which includes major changes to the OFSTED framework and inspection process.

As a Governing Body and Staff, we are therefore incredibly pleased to share with you that Havannah Primary School has gained a "Good" OFSTED judgement across all categories of the inspection, with our experienced inspection team being highly complementary about many aspects of our fantastic school.

Given the continued changes in education, we are naturally not complacent and are already working hard to ensure that Havannah Primary School retains its unique ethos and family values whilst also striving to work on the improvement points from the enclosed report.

Finally, I would like to take this opportunity to thank Mrs Williams, Mrs Sutton and all the staff for their continued dedication and hard work. We would also like to thank you as parents for so willingly completing the online ParentView questionnaire. Most importantly we would like to thank our children, who after all are the main reason that we all work so hard – to ensure their continued success and happiness in education.

Yours sincerely,

Elizabeth Barrass  
Chair of Governors
